LETTER OF RECOMMENDATION: MOHAMUD ABDULLAHI HAMUD

Dear Sir/Madam,

I am Mr. Alemisa Endebu, Software Engineering program coordinator at Jimma Institute of Technology, Jimma University. It is with great pleasure that I write this letter of recommendation for **MOHAMUD ABDULLAHI**, who studied Software Engineering at Jimma University.

I have had the pleasure of knowing **MOHAMUD** for five years as his instructor during the Compiler Design and Artificial Intelligence courses and as Software Engineering program coordinator. In all capacities, I have been consistently impressed by **MOHAMUD's** intellectual abilities, dedication, and passion for learning.

MOHAMUD consistently impressed me with his strong analytical and problem-solving skills and his exceptional understanding of core software engineering courses. His proficiency in programming languages like C++, Java, Python, and web development tools is a testament to his competence and expertise. He demonstrated a deep understanding of complex concepts and the ability to apply them to real-world software development challenges.

As a lecturer and program coordinator, I was astounded by his enthusiasm for learning and his capacity for problem-solving skills.

Beyond technical skills, **MOHAMUD** possesses excellent communication and collaboration skills. He is able to clearly articulate complex technical concepts and effectively work with others in a team environment.

On top of his exemplary academic excellence among his peers, **MOHAMUD** is a person of remarkable character and politeness.

Therefore, I am pleased to recommend **MOHAMUD ABDULLAHI** for both his academic pursuits and any positions he may apply for. Please do not hesitate to contact me if you require any further information.

Sincerely,

Alemisa Endebu (MSc)
Software Engineering Program Coordinator
Jimma Institute of Technology
Jimma University,
